- g) We may transfer your personal information to a third party as part of a sale of some or all of our business and assets to any third party or a part of any business restructuring or reorganisation. However, we will take steps with the aim of ensuring that your privacy rights continue to be protected.

2. OVERSEAS TRANSFERS

The Company does not transfer your data overseas, however we may transfer the information you provide to us to countries outside the European Economic Area ('EEA'). The EEA comprises the EU member states plus Norway, Iceland and Liechtenstein.

Whenever your data is shared, inside or outside of the EEA, we will take every step possible to ensure adequate protections are in place to ensure the security of your information.

3. AUTOMATED DECISION MAKING

The company does not use automated decision-making, including profiling. Should the company intend to change this process you will be notified in advance.

4. DATA ACCESS RESTRICTION AND RETENTION

The Company will retain your personal data along with our applicant / worker / employee data only for as long as is necessary. Different laws require us to keep different data for different periods of time.

4.1 WHERE SERVICES HAVE NOT BEEN PROVIDED TO THE CANDIDATE

If we have not provided our applicant with services, or not had valuable contact with for two consecutive years, your personal data will be deleted from our systems unless where we believe in good faith that the law or other regulation requires us to preserve it.

4.2 WHERE SERVICES HAVE BEEN PROVIDED TO THE CANDIDATE

To comply with legal requirements e.g. The Conduct of Employment Agencies and Employment Businesses Regulations 2003, data will be kept by Driving Force for 7 tax years from the last date on which services were provided to your relative.

After expiry of that period your data will no longer be kept by Driving Force.

5. SECURITY PRECAUTIONS IN PLACE TO PROTECT THE LOSS, MISUSE OR ALTERATION OF YOUR INFORMATION

We are committed to taking all reasonable and appropriate steps to protect the personal information that we hold from misuse, loss, or unauthorised access. We do this by having in place a range of appropriate technical and organisational measures, e.g.:

- a) encryption of our services and data;
- b) review our information collection, storage and processing practices, including physical security measures;
- c) restrict access to personal access to personal information;
- d) internal policies setting out our data security approach and training for employees, these include measures to deal with any suspected data breach.

Our systems are placed on servers running on an industry standard virtualisation platform based on VMware. Our server provider, where we store most of the data, is ISO 27001 accredited and follows industry best practice and regularly patches and upgrades platforms. All servers that we use to store your data are placed in UK area and comply with the General Data Protection Regulation. Our security systems are kept up to date and align with the guidance to security information.

The server that holds the Candidate Portal is installed with an SSL certificate to protect your data. Once you are on the Candidate Registration Portal, a padlock icon will appear near the address bar of the browser you are using, this will confirm you are on our secure Candidate Portal system.
